

# WORK TIME

FLIQ Work Time enables real-time tracking and reporting of work hours, ensuring that all working hours are logged accurately and up to date.

## FEATURES

- Time Tracking
- Shift Management
- Workflow Integration
- Reporting
- Compliance
- User-Friendly Interface
- Integrations with Collective Agreement changes and other systems

## BENEFITS

- Enhanced Productivity
- Cost Control
- Seamless Operations
- Improved Insights
- Reduced Admin Load

Implementing FLIQ Work Time helps companies streamline time and shift management, ensuring accurate, compliant records and reducing administrative workload. It enhances productivity by optimizing labor resources, provides real-time insights for smarter decision-making, and supports cost control through precise tracking.
